### B. F. JONES FILES PETITION.

Hon. B. F. Jones has decided to become a candidate for re-election to the office of Joint Representative for Polk and Lincoln counties, and will file his petition with Secretary of State Benson at once. He declares his unwavering allegiance to Statehood No. 1, and announces his intention to continue the fight for State or National ownership of the Locks at Oregon City. Mr. Jones' platform is as follows:

"The Direct Primary law having passed by a vote of 56,850 against 16,354, and believing in the doctrine that the people know what they want, I desire to say to the people of Oregon, as well as of my Legislative district, that during my term of office I will always vote for the candidate for United States Senator in Congress who shall have received the highest number of the people's votes for that position at the general election next preceding the election of a Senator in Congress, without regard to my individual preference.

"If nominated and elected I will, during my term of office, stand for the just regulation of all transportation.

Equable assessment and taxation of property;  
State or National ownership of the Locks at Oregon City, and  
The improvement of all navigable waters in Oregon;

A most liberal policy for all public schools;

The right of suffrage to women.

Mr. Jones has served two terms in the Oregon Legislature, and has proven himself one of the most active and influential members of that body. His successful fight for open locks at Oregon City—a fight which he carried on almost single handed and alone against the power of corporate wealth—was the most brilliant victory won by any legislator in the last session. Ben Jones is a friend to the people, and the Oreganians hope to see him elected by the biggest majority ever given a candidate for the Legislature, even though we do not personally agree with some of the planks in his platform.

According to apparently reliable reports in the Portland newspapers, millions of dollars will be spent in the construction of electric roads in the Willamette Valley within the next year or two. As planned, the projects will require more than 150 miles of standard-gauge railway, embracing a main line from Portland to Corvallis, with laterals to Dallas and other points. Whether this project materializes, or not, the day is not far distant when the Willamette Valley will be covered with a network of trolley lines. The completion of the electric road to Salem on the East Side and the partial construction of the line to Hillsboro on the West Side is only the beginning of the movement to bring every portion of the valley into closer touch with the metropolis of Oregon.

G. N. McArthur, of Portland, has announced his candidacy for the nomination for Joint Representative of Clackamas and Multnomah counties. His opponent is W. C. Bolt, a resident of Sellwood. "Pat" was a candidate for the Legislative nomination in Multnomah county two years ago, but was defeated in the primaries by a narrow margin. He ascribes his defeat at that time to the fact that his name was so far down the list in the alphabetical arrangement of names on the ballot that even his most enthusiastic friends and supporters had difficulty in finding it. He does not propose to be caught in the same way again, and will try for an office where his name will be more conspicuously featured on the big ballot. He is a young man of fine social qualities, level-headed judgment, and more than ordinary oratorical ability, and would represent his large constituency

with credit to himself and to the counties electing him. His many friends in Polk county and throughout the state will wish him success in his aspiration, being confident that he would prove a valuable member of Oregon's law-making body.

At the meeting of the Athletic Committee of Dallas College, held Tuesday evening, it was decided to grant two games to the basketball team from Muscatine, Iowa, one on Thursday, March 5, and the second on the following night—Friday, March 6. During the extended tour in which it is now engaged, the Muscatine aggregation has played 53 games, winning 44 and losing only 9—a truly remarkable record. The two games with our local team promise to be exceedingly fast and interesting. Tickets will be placed on sale at Bolt & Cherrington's not later than next Tuesday.

#### We Hear of More Cures

Of troubles originating in impure blood, scrofula, loss of appetite, catarrh, rheumatism, by Hood's Sarsaparilla than by all other so-called remedies combined. Somehow those cured by Hood's seem to stay cured, and they gladly tell the good news to others.

**Scrofula Sore**—My wife had a scrofula sore on her leg for years. Many different medicines gave but little benefit. She turned to Hood's Sarsaparilla and the sore quickly healed. It is a good blood medicine." J. N. Darr, Crosby, Texas.

**Afflicted 16 Years**—Hood's Sarsaparilla has cured me of scrofula, with which I have been troubled 16 years, and caused by venerealism. My little daughter had a scrofula swelling on her neck and Hood's Sarsaparilla also cured her. Mrs. Nona Bremer, Hughes, Tennessee.

### WISER TALKS

By U. S. Loughary's Office Boy.

Did you ever hear about the express companies cutting a melon? Reminds you of that old story about Mother Eve being made for Adam's Express Company, only they cut a rill that time and melons weren't ripe till after Adam got his ticket of leave. I heard a man say the serpent could never have handed Eve an apple, that it must have been a lemon, as apples weren't raised in the garden or anywhere near there. By the way, you've noticed we never hold any cut price, sell at cost "sales" at this shop. The boss says we don't have any sales because we don't have any poor stock to force out, and the goods we don't want, our customers won't want. Good groceries at the right price for real quality don't need to go a begging any time of the year. Just get a new lot of Olives, home-made Pickles, more of that fine Lettuce, Celery and Cabbage, Grape Fruit, Phone in your order.
